Worksheet 8.2

D-Day

Explore [this selection](#) of personal letters from soldiers involved in the fighting in Normandy following the D-Day landings on 6 June 1944.

Read through some of the letters and answer these questions.

1. What are the value and limitations of individual soldiers’ accounts for an historian studying World War II?

2. Do you think the soldiers thought about the overall strategy of the Allies? What, do you think, concerned them the most?
